### President's Message

Fellow Lions,

The Month of May has been another month where the weather has been the item of discussion. However, Spring has finally broken through, and hours of work on the Lions pool by dedicated Lion volunteers has paid off. Again this year, another inspection passed. Led by the pool committee, chairman Joe and his wife and family. And other individuals, the sparkling pool was ready for early registration this past week-end. Outstanding and much needed electrical repairs of ancient systems were completed. After much hard labor by several individuals to remove the old floor tiles, a new floor was installed in the refreshment stand. It also needed a new drink cooler that was obtained by Bill. Lots of painting of chairs and picnic tables by Steve and others has made everything look brand new. New also was the word for the fence added to the site. Additional pool chairs are planned for this season too. Let's work together to make this swim season the best ever and pray that all who enjoy it will be safe.

It is important to note that to begin action on our building project, the board approved the dedication of \$10,000 to the completion of a new storage building for Lions, swim team and baseball equipment.

Good luck to Pat (I will never be a Lion) and Mickie, who are working hard to make our first bingo a success. The rescheduled date is June 10. Baskets and lots of door prizes are being prepared. Members are asked to fill out the request for food donations and volunteer time.

This, I have been informed, will be the last newsletter by Christy. No member can compare to her dedication and service to our club. She has been my go to for everything. As a rookie in Lion stuff, she kept be on track for things I was required to do but not aware. I am not sure of her future plans, but maybe not being secretary will give her more time to be even more active in Lion projects. Thanks Christy!

Sad news about the loss of Bill Fishers mother. We have had, recently, other losses of Lion family members, and it always is a time when it presents the opportunity for fellow Lions to support with prayer and resources.

With Regards

Vince

### Upcoming Events

**Our next meeting, Wednesday, June 1st, we have been invited to meet with Roaring Run Lions:**

Place: Bullocks Restaurant  
2020 Sykesville Road  
Westminster, MD 21157
